

=10'x10' booth

6' distance between booths

6' distance between booths

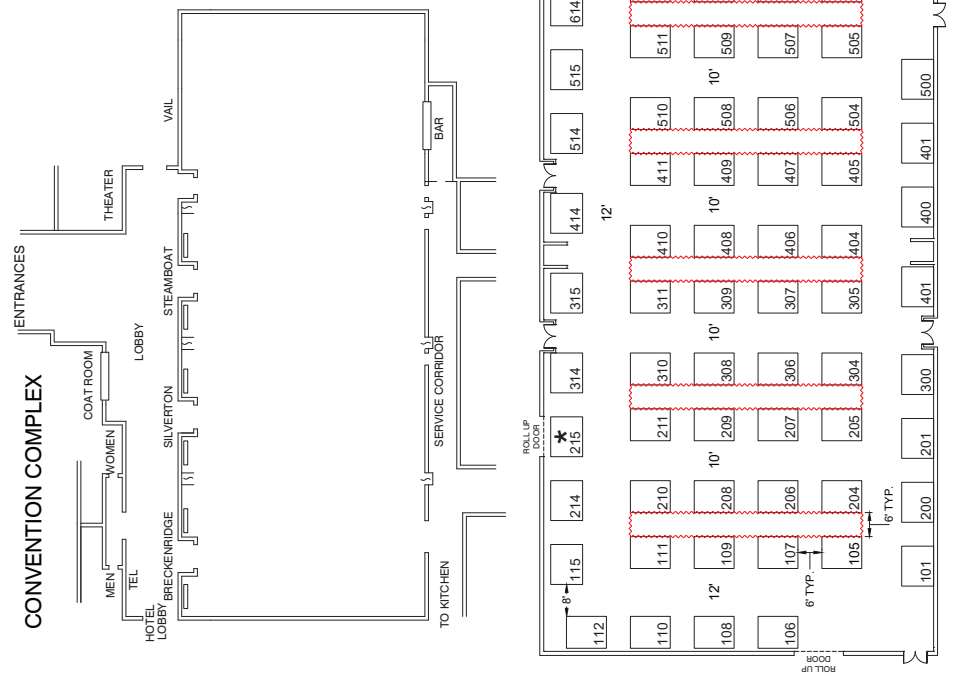

Red Markings designates 8' high drape:
-Drape placed at the two ends of each row to close off opening, no passageway between the booths – no path here so eliminating a need for a 16' thoroughfare.

Red Markings designates 8' high drape:
-Drape placed along the back of booths and in between booths so no one walks through, no passageway.
